Submission Deadline: EXTENDED TO Sunday, May 15, 2022, 11:59 PM CT US

To submit your abstract, please follow the instructions below:

1. Visit the 2022 Abstract Submission Portal by going to: ispg.societyconference.com and select “Log In”
 - If you are a current member of ISPG or have attended the World Congress in previous years your account is stored within our system. If you do not know your login information, please select “Forgot your password”.
 - If you are new submitter or your email address is not recognized by the system, please create a new account.
2. Go to Submissions and select “**Access My Dashboard**”.
3. Select the large blue square “Start a New Scientific Submission”.
4. Under “Submission Type” select “Poster/Oral Presentation” in the drop down menu. You will then be directed to the submission application.

*Character Limits: There is a limit of 3,200 characters, not including spaces for your proposal. Of the total limit, 200 characters are for the title of your proposal. The abstract of your proposal has a limit of 3,000 characters.

Steps for Submission:

STEP 1: General

If you would like to submit this abstract for an ECIP Travel Award, select “Yes”. To be eligible for the award, you must be an undergraduate student, graduate student, medical student, post-doctoral student, or less than five years out of a doctoral program in a field relevant to psychiatric genetics. If you do not want to submit this abstract for an ECIP award, select “No”. Please reference the ECIP guidelines located on the submission home page for information on determining if you qualify for the award. **Please note, only one award application can exist per applicant.**

- ❖ If you select “Yes” to this question, the abstract will automatically be submitted for a Poster/Oral Presentation **AND** the ECIP award. You will not need to submit the abstract twice. Additional instructions will follow Step 4: Disclosures.
- ❖ If you have already submitted an abstract for the ECIP Travel Award or do not want to submit an application for an ECIP Travel Award, select “No, do not include award submission”.

The screenshot displays the submission portal interface. At the top, there is a navigation bar with a home icon and a 'Return to Dashboard' button. The main header reads 'Submit Poster / Oral Presentation'. Below this, a progress indicator shows four steps: 'General' (1), 'Participants' (2), 'Submission' (3), and 'Disclosures' (4). The 'General' step is currently active. A yellow button labeled 'Add Participants >' is positioned above the 'Submission Type' dropdown menu, which is set to 'Poster / Oral Presentation'. A yellow highlighted box contains the 'ECIP Application' section, explaining the criteria for an early career investigator (ECIP) and providing two radio button options: 'Yes, include award submission' and 'No, do not include award submission'. Below this, the 'Submission Title' section is marked with a '1' in a circle. It includes instructions on title formatting and a text input field with a character count of '200 of 200 characters remaining'. The 'Topic' section is marked with a '2' in a circle and features a dropdown menu for selecting the abstract submission topic.

1. Task 1 (Submission Title): Enter your submission title.

- a. Your title must be less than 200 characters. *Do not use all caps. Please use title case.*
2. Task 2: Select your topic in the drop-down menu provided.
3. Select **“Add Participants”** to proceed to the next step.

STEP 2: Participants

1. The submitter of the proposal must be the presenter for the poster and/or oral presentation. Ensure your name and email address populate on this page. If you are not the presenter, log out and notify the presenter that they will need to submit the abstract. Co-authors can be added under STEP 3.
2. Please select **“Save and Continue”** to proceed to the next step.

STEP 3: Submission

1. Task 1 (Presentation Type): Select your presentation type. Your proposal may be considered for a Poster only, Oral only, or both Poster and Oral Presentation.

The screenshot shows a web application interface for the 'Submission' step. At the top, a progress bar indicates four steps: 'General' (checked), 'Submission' (current step, circled in 2), 'Disclosures' (checked), and 'ECIP Application' (circled in 4). Below the progress bar are three buttons: 'Previous' (disabled), 'Save and Continue' (active), and 'Submit Abstract' (with a document icon). The main content area is titled 'Submission Details' and includes a note: 'Your entire abstract must be 3,000 characters or less.' The form is divided into three sections, each with a numbered circle on the left: 1. 'Presentation Type *' with radio button options for 'Poster Only', 'Oral Only', and 'Poster and Oral'. 2. 'Background *' with a large text input area and a character count '1000 of 1000 characters remaining'. 3. 'Methods *' with another large text input area.

6 Statement 2 *

All recommendations involving clinical medicine in a CME activity must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients. All scientific research referred to, reported or used in CME in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection and analysis. If I am a presenter, my presentation will meet these standards, and if I'm a planner, I will not approve any content that does not meet these standards. If I am a session chair and/or an abstract discussant, any contribution I make to discussion, will meet these standards.

I Agree

7 Statement 3 *

CME must give a balanced view of therapeutic options. Use of generic names will contribute to this impartiality. CME educational material or content that includes trade names should include trade names from several companies where available, not just trade names from a single company. If I am a presenter, my presentation will meet this standard, and if I'm a planner, I will not approve any content that does not meet this standard. If I
