

Presentation Guidelines for Poster Sessions at the 2017 Suicide Summit:

- Posters must be mounted by 9:00 a.m. on the day of the poster session.
- **Posters must be removed no later than 6:00 p.m. or they will be discarded.**
- Posters are grouped by classification for the convenience of those attending the sessions. Each poster board will be numbered. **Please do not remove the numbers.**
- The **maximum area per poster is 4 feet high by 8 feet wide.**
- A copy of the submitted abstract printed separately from your poster should be available upon request. Please have the copies available posted on your board.
- Remember that illustrations and text will be read by interested scientists from distances of about 3 feet or more. Keep them simple and use large font. Charts, drawings, and illustrations should be heavily drawn.
- Do not mount materials on heavy board because it will be difficult to affix the materials to the poster board. **Keep presentation as lightweight as possible.**
- Disclosures for ALL AUTHORS should be included on the poster.
- **Pushpins or thumbtacks** will be provided to mount the poster.
