

January 10, 2021

Dear Winter Conference on Brain Research Attendee,

We are looking forward, with great anticipation, to welcoming you to Viewline Resort Snowmass. Our ability to open the resort fully has been impacted by delays caused by world-wide supply chain disruptions. As a result, the conversion of the Viewline Resort Snowmass to an Autograph Collection property and affiliation with Marriott has been delayed until early February 2022.

The resort is open and functional and will continue to operate as an independent property until that time. We have created programming that we hope will fulfil, inspire, and help to create many indelible memories you'll call upon for years to come.

**What to expect:**

- You will receive a cancellation confirmation from Marriott for your current reservation
- A new reservation has been made at the Viewline Resort Snowmass confirming your current stay details including dates and room rates
- For changes to your reservation you must contact Viewline Resort Snowmass directly at [Group.Reservations@viewlineresortsnowmass.com](mailto:Group.Reservations@viewlineresortsnowmass.com)
- **The Viewline Resort Snowmass is not affiliated with Marriott;** you will not earn Elite Night Credit or Marriott Bonvoy Points for your upcoming stay

If you have questions regarding your reservation at the Viewline Resort, you may contact us via email at [Group.Reservations@viewlineresortsnowmass.com](mailto:Group.Reservations@viewlineresortsnowmass.com) or by phone at 970-923-8200 between the hours of 10am and 4pm MST.

We look forward to welcoming you and creating an amazing event to remember.

Sincerely,

*Jeffery Burrell*
