

Join Us for a Virtual Poster Session!

Poster sessions are scheduled at a time that will allow all attendees regardless of time zone to participate for a truly global networking event! In addition to the poster session times, the e-poster gallery will be available throughout the conference so attendees can view posters at their leisure.

Poster Sessions: May 14 & 15
4:00 PM CDT | 11:00 PM CEST | 7:00 AM AEST

Accessibility- The e-Poster gallery will be available for attendees to view at any time throughout the conference and for up to a year after.

Voice Posters- In addition to uploading an image of the poster, presenters will be encouraged to upload a 1–2-minute audio file of their presentation that attendees can listen to at any time.

Discussion Boards- Each poster will have a discussion board that will allow attendees to ask questions and interact with the presenter throughout the conference. The virtual platform also offers a chat feature for individual conversations.

Face to Face Interaction- Each presenter will have the opportunity to provide a video conference link that will be available to attendees during their scheduled presentation time to allow for live, face-to-face discussions via video chat.

Easy to Use Platform- The e-Poster gallery is searchable and offers an interface with audio posters, poster images, and abstracts all at your fingertips!
