

### 2019 ACNP Submission Categories

#### Primary Categories:

Cellular and Molecular Neurobiology  
Clinical Trials  
Cognitive Neuroscience/Affective Neuroscience  
Computational Neuroscience/Computational Psychiatry  
Developmental Neuroscience  
Epidemiology  
Genetics/Genomics: Animals  
Genetics/Genomics: Humans  
Imaging Technologies  
Neuroendocrinology  
Neuroimmunology/Microbiome  
Non-Pharmacological Therapies (devices and behavioral)  
Novel Methodologies/Tools  
Pharmacology: Clinical  
Pharmacology: Pre-Clinical  
Physiology: Clinical  
Physiology: Pre-Clinical  
Systems Neuroscience

#### Secondary Categories:

Aging  
Anxiety Disorders/PTSD  
Childhood or Adolescence (Neurodevelopmental)  
Co-Morbidities  
Eating Disorders  
Impulse Disorders  
Mood Disorders  
Neurological Disorders  
OCD and related disorders  
Personality Disorders  
Schizophrenia/Psychotic Disorders  
Sexual and Gender Identity Disorders  
Sleep Disorders  
Substance-Use Disorders  
Transdiagnostic (RDoC)
