

Welcome to the CME & Evaluation Center

Thank you for attending the ACNP Virtual Annual Meeting!

Here you will find information on completing the conference evaluation as well as obtaining CME credits or a certificate of attendance. You can also find the information regarding the number of credit hours available for each session.

Evaluation

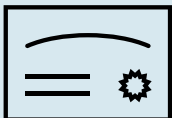

We encourage every attendee to complete the Annual Meeting Evaluation. Your feedback not only helps us understand if the recent program met your needs and expectations, but also helps with planning for future meetings.

Attendees wishing to request CME credits or a Certificate of Attendance (which can be used to secure CE credits from your accrediting body), must first complete the meeting evaluation.

Accessing the Evaluation:

The evaluation is anonymous and therefore cannot be accessed when the attendee is logged into their account. If you can see the conference hall, you are logged in and will need to click on your profile button in the bottom left corner and select **logout before clicking the evaluation link**. **Logout, and then [click here](#).**

Continuing Medical Education Credits & Certificate of Attendance

There is a \$40.00 charge to apply for CME credits. There is no charge to request a certificate of attendance. Once you have completed the evaluation, you will be asked if you would like to apply for CME credits or a certificate of attendance. Select 'Apply for Hours' and it will direct you to login and attest the sessions you attended. Once complete, your certificate will be emailed to you immediately. Additional information regarding CMEs is below.

The deadline to complete the evaluation and request a certificate is Thursday, January 14, 2021.

Continuing Medical Education Credits

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety as partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American College of Neuropsychopharmacology. Amedco LLC is jointly accredited by the Accreditation Council for Continuing

Medical Education (ACCME), the the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME)

Credit Designation Statement – Amedco LLC designates this live and enduring activity combination for a maximum of 108.50 *AMA PRA Category 1 Credits*™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity. You should not claim both live and enduring hours for the same content.

All or a portion of the below sessions are **LIVE ONLY** offerings.

LIVE ONLY Sessions

Recordings will not be available after the live event. Attendees must watch the below sessions **LIVE** in order to claim credit.

Tuesday, 12/8
8:30 AM – 10:30 AM
Study Group

*Life After Compulsive
Substance Use: How to
Translate the
Neurobehavioral
Dynamics of Recovery*

Tuesday, 12/8
2:30 PM – 3:30 PM
Mini Panel

*Biomarkers of
Neurodevelopmental
Disorders in Early Infancy:
Implications for Early
Detection and Intervention*

Wednesday, 12/9
5:00 PM – 7:00 PM
Panel

*Innovative Approaches to
Uncover Cellular and
Circuit Mechanisms
Underlying Psychiatric
Disorders*

LIVE ONLY Presentations

The below presentations will be recorded, however, one of the individual talks will be removed before posting. The below talks can only be viewed live.

Monday, 12/7, 8:30 AM – 11:30 AM President's Plenary

President's Plenary: Neurodevelopment: Pathways to Health and Psychopathology *Frances Jensen's presentation is LIVE ONLY

Monday, 12/7, 1:30 PM – 3:30 PM Panel

Using Animal, Pharmacological and Computational Models to Understand the Pathophysiology Behind Aberrant Inferences in Psychosis *Daniel Javitt's presentation is LIVE ONLY

Monday, 12/7, 1:30 PM – 3:30 PM Panel

Sex Differences in Depression: External and Internal Environments Differentially Affect Females or Males *Ronald Garcia's presentation is LIVE ONLY

A portion of the below sessions are LIVE ONLY offerings.

LIVE ONLY Presentations (cont.)

The below presentations will be recorded, however, one of the individual talks will be removed before posting. The below talks can only be viewed live.

Monday, 12/7, 5:30 PM – 7:30 PM Panel

Translational Models of Deep Brain Stimulation: New Approaches to Circuits of Reward, Motivation, Habit, and Impulse *Meaghan Creed's presentation is LIVE ONLY

Tuesday, 12/8, 8:30 AM – 10:30 AM Panel

Metabolic and Inflammatory Mechanisms of Anxiety and Depression: Role of Sex, Stress and Diet in Clinical and Preclinical Models *Vasiliki Michopoulos's presentation is LIVE ONLY

Tuesday, 12/8, 2:30 PM – 3:30 PM Mini Panel

Emerging Role of Hypocretins/Orexins in Psychiatric Diseases *Giacomo Salvatore's presentation is LIVE ONLY

Tuesday, 12/8, 2:30 PM – 3:30 PM Mini Panel

Connecting Brain to Body: Intrinsic and Antipsychotic Drug-induced Systemic Disruptions in Schizophrenia *Zachary Freyberg's presentation is LIVE ONLY

Tuesday, 12/8, 5:00 PM – 7:00 PM Panel

Role for Non-Neuronal Cells in the Brain in Neuropsychiatric Disorders *Paul Frankland's presentation is LIVE ONLY

Wednesday, 12/9, 8:30 AM – 10:30 AM Panel

Biochemical Modulation of Psychomotor Mechanisms in Psychiatric Disorders *Dusan Hirjak's presentation is LIVE ONLY

Wednesday, 12/9, 5:00 PM – 7:00 PM Panel

New Approaches to Modulate Forebrain Interneurons for the Treatment of Psychiatric Disease *Nicole Calakos's presentation is LIVE ONLY
