

ASCP  
AMERICAN SOCIETY OF  
CLINICAL PSYCHOPHARMACOLOGY

2021  
MEMBER GUIDE

# Welcome!

## WE'RE SO GLAD YOU'RE HERE

Welcome to ASCP! We are honored to have you as a member. By becoming an ASCP member, you have joined over 1300 other multi-disciplinary professionals dedicated to advancing the science and practice of Clinical Psychopharmacology.

The American Society of Clinical Psychopharmacology (ASCP) was founded in 1992 to advance the science and practice of clinical psychopharmacology. Its over 1,300 members are physicians who study and practice psychopharmacology, as well as doctoral level investigators of clinical psychopharmacology or of pharmacology. ASCP members are advocates for clinical psychopharmacology and for clinical research.

As a member, here are some of the benefits you receive:

- Reduced registration to our meetings
- Reduced prices on other ASCP products and activities
- Complimentary subscription to the *Journal of Clinical Psychiatry*
- And more!

Throughout this member packet, you will find information regarding all your benefits as a member, our leadership, navigating our resources, and opportunities to engage within the ASCP. Please browse the document at your convenience and let us know if you have any questions. Our Executive Office is more than happy to help you navigate and maximize your ASCP membership!

Again, welcome! On behalf of the ASCP Membership Committee, THANK YOU for making ASCP your professional membership home.

Sincerely,

**Leslie Citrome, M.D., M.P.H.**

Leslie Citrome, M.D.  
President of ASCP

# Uncover and explore benefits

## All Members Receive the Following Benefits:

### ▪ Reduced registration to our meetings:

The Psychopharmacology: State-of-the-Art — a world class update on psychopharmacology, held twice a year in New York City and California. CME Available.

ASCP Annual Meeting (formerly known as NCDEU), The Annual Meeting has been one of the definitive meetings in psychopharmacology for more than 50 years. CME Available.

### ▪ Reduced prices on other ASCP products and activities:

The Model Curricula in Psychopharmacology (for teaching residents, students, and primary care physicians).

A complimentary online subscription to the bi-monthly publication of *The Journal of Clinical Psychiatry*.

Access to the member web site with discounted job postings to the ASCP Job Board.

An opportunity to serve on ASCP Committees and Work Groups, which are working to improve the practice of psychopharmacology.

Opportunity to build bridges, and a network with, other similar and complementary organizations and professions.

Attain Fellowship status after 10 consecutive years of membership and attendance in 5 or more ASCP meetings.

### ▪ Access to the members-only website, which includes the following

An online searchable membership directory for up-to-date member contact information.

ASCP Member Discussions through our Difficult Cases, and Educational Opportunities ListServ.

Access to the published articles from ASCP Members in our ASCP Corner Publications.

Online continuing education materials and more.

## WE'VE GONE SOCIAL!

### Stay Connected.

Did you know that ASCP is more than an annual conference? Although our conference is the most prominent extension of us, the society offers wonderful things all year long! From up-to-date news in Psychopharmacology to relevant articles, we're your go to place for all things Clinical Psychopharmacology. ASCP is not just a membership-based society, it's a community and one that you're a valuable part of. Stay in the know, be a part of the conversation and let's stay connected!

**We're on Facebook. Let's be friends!**
