HENRY NASRALLAH AWARD FOR EXCELLENCE IN CLINICAL PSYCHOPHARMACOLOGY EDUCATION

ABOUT THE AWARD

The Henry Nasrallah Award for Excellence in Clinical Psychopharmacology Education honors individuals who have made outstanding contributions in clinical psychopharmacology education and teaching. Established in 2025, this award recognizes educators whose work reflects Dr. Henry Nasrallah's legacy of advancing psychiatric knowledge through research, teaching, and mentorship. The recipient will receive a **\$3,500 stipend** including a \$2,500 honoraria and \$1,000 travel allowance. **Attendance and presentation of a lecture at the 2026 ASCP Annual Meeting is mandatory for the awardee.**

ELIGIBILITY

- ✓ Invited CME-accredited presentations at national and international conferences
- ✓ Attendance and presentation of a talk on their education at the ASCP 2026 Annual Meeting
- ✓ Leader in the field of clinical psychopharmacology education

DEADLINE:
JANUARY 28, 2026
