## Choosing a Vibrant Future

All times are automatically  
adjusted to your local time zone.

Hover your mouse over a session  
and a star will appear.  
Click the star to add sessions to  
your personal schedule. When the  
star is in full color, the session has been  
added to your schedule.

To join a session at the designated time,  
click the video icon.

# Attendee Portal

Filter by Online Attendees, a green dot will appear next to the attendee's name if they are active and online.

The screenshot shows the Attendee Portal interface. At the top, there is a search bar labeled "Search attendees" and a filter dropdown menu currently set to "All Attendees (881)". A callout bubble points to the search bar with the text "Chat with Me!". Another callout bubble points to the filter dropdown with the text "Select the drop down to filter by online attendees, speakers and awardees!". Below the search bar, there is a grid of attendee profiles. Each profile includes a profile picture, the attendee's name, their title, and their affiliation. A callout bubble points to a microphone icon next to the profile of Mahavir Agarwal with the text "If you see the microphone icon, I'm a Speaker! Click my profile to see what sessions I'm presenting in.".

**Chat with Me!**

Select the drop down to filter by online attendees, speakers and awardees!

# Poster in Gallery

This is what it looks like when you click on a poster.

The screenshot displays a digital poster presentation interface. At the top, a video player shows a progress bar at 0:00 / 0:04. Below the player, the main poster area is titled 'SAMPLE POSTER'. To the left of the poster, a blue box contains the text: 'If an audio file is uploaded, the attendee can listen to the audio presentation while viewing the poster.' To the right, another blue box says: 'Discussion forum for posting comments/questions'. The poster itself is divided into four columns: 'Introduction', 'Methods', 'Results', and 'Conclusions'. The 'Results' column features a diagram labeled 'Figure #2' showing two circles. At the bottom right of the poster, there is a 'Zoom In/Out' button with a magnifying glass icon. On the far right, a vertical sidebar contains navigation icons: a 'Poster Image' button, an 'Abstract PDF' button, and a 'Discussion forum' button. The bottom of the interface shows a 'Next' button and a 'Zoom In/Out' button.

# Help

This will provide resources and quick links to conference information.
