

## **Poster/Oral Presentation Guidelines Deadline: Thursday, 7 December 2023**

- Presentation abstracts should be structured as: Background, Methods, Results, and Discussion. Include as much actual data as possible.
- Oral Presentations will last 10 minutes with an additional 5 minutes for discussion.
- There is a limit of 3,200 characters, not counting spaces, for the text of your abstract submission. No images, graphs, or tables will be accepted.
- The presenter will be required to submit a COI disclosure statement at the time of the submission.
- Submitters will be given the opportunity in the submission process to elect that if the oral presentation is not accepted, then the abstract may be considered for poster presentation.
- Submissions by women and minorities are highly encouraged. All presenters should plan to attend in person.
- SIRS strongly supports diversity in the scientific topics of presentations and seeks presentations that address important understudied factors (e.g., sex-and gender-based analyses, vulnerabilities, and treatment gaps for minority populations, etc.) in psychiatric neuroscience.
- At the time of submission, all presenters must submit their disclosure. Submissions will not be reviewed without a completed disclosure.

**All participants must upload a copy of their CV for accreditation purposes.**
