

# Gala Dinner

Tuesday, October 17, 2023

Join us for an evening of fun at the 2023 International Summit on Suicide Research Gala Dinner on Tuesday evening during the conference. This event will be held at the incredible Xalet de Montjuïc- a gastronomic restaurant in the heart of the Montjuïc Park that combines Mediterranean and signature cuisine with the most spectacular views of Barcelona!

Network with researchers in the field, enjoy a plated dinner including limited bar service, and dance the night away on the dance floor with a DJ.

**This event is not included in the regular conference registration rate. Anyone wishing to attend will need to purchase a ticket during registration.**
