## Step 6- Assign Products

Select Group Member. If Group Member doesn't exist, create one.

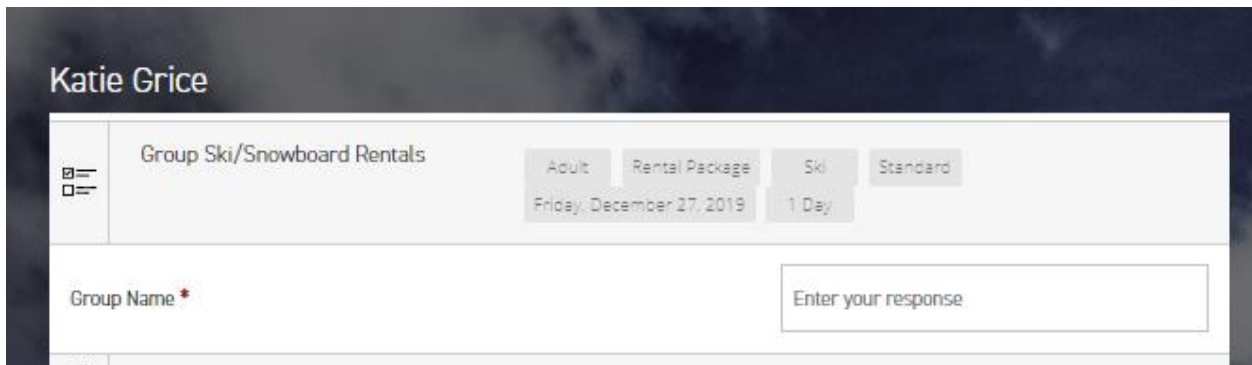

The screenshot shows the 'Assign Products' interface. At the top left, there is a circular profile icon with the initials 'KG'. To its right, the text 'Group Ski/Snowboard Rentals' is displayed. Below this, there are four tabs: 'Adult', 'Rental Package', 'Ski', and 'Standard'. On the right side, a dropdown menu is open, showing the name 'Katie Grice' and a downward arrow. Below the tabs, there is a button labeled 'SHOW DETAILS'.

The screenshot shows a form for adding a new group member. It includes two text input fields for 'First Name' and 'Last Name', each with a red asterisk indicating it is a required field. Below these are three dropdown menus for 'Birthdate', with sub-labels 'Month', 'Day', and 'Year', each also with a red asterisk. At the bottom of the form, there are two buttons: a dark grey 'ADD MEMBER' button and a light grey 'Cancel' button.

## Step 7- Add Group Name into field

The screenshot shows the profile page for 'Katie Grice'. At the top left, there is a profile icon with the initials 'KG'. To its right, the text 'Katie Grice' is displayed. Below this, there is a header section for 'Group Ski/Snowboard Rentals' with the same four tabs as in the previous screenshot. Below the tabs, there is a date and time field showing 'Friday, December 27, 2019' and '1 Day'. At the bottom, there is a form with a label 'Group Name' followed by a red asterisk, and a text input field containing the placeholder text 'Enter your response'.

## Step 8- Create Rental Profile

Rental Profile	
Choose An Ability <input type="button" value="v"/>	Age at Time of Rental <input type="button" value="v"/>
<a href="#">Click to view</a> this information on identifying your ability type.	
Choose Height <input type="button" value="v"/>	Choose Weight <input type="button" value="v"/>
Shoe Size <input type="text"/>	

**Step 9- Enter billing requirements and save confirmation for pick up**
