

Learner Notification

55th Winter Conference on Brain Research

January 30, 2022 – February 4, 2022

Live

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Winter Conference on Brain Research. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designation

Amedco LLC designates this live activity for a maximum of 29.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credit removed for the following panel titles due to conflicts of interest:

- Monday – 4:30 pm – 6:30 pm - Subcortical Circuits in Behavioral Flexibility and Sequences
- Wednesday – 7:00 am – 8:30 am - Oh, the Places You'll Go
- Friday – 4:30 pm – 6:30 pm - Novel Neurobiological Mechanisms Underlying Neuronal Maintenance and Degeneration
- Friday – 4:30 pm – 6:30 pm - Parallel Tracks: Developing New Disease Models and New Therapies for the Treatment of Parkinson's Disease

Objectives - After Attending This Program You Should Be Able To

1. Integrate into clinical practice knowledge that spans the full range of neuroscience sub disciplines, including developmental, molecular, cellular, systems, behavioral, cognitive, and computational neuroscience.
2. Discuss new treatment modalities used in the treatment of neurological, psychiatric and substance abuse disorders.
3. Engage in discussion with experts and colleagues about clinical challenges in practice and apply new insights and data to improve patient care.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1---6.2, 6.5)

All individuals in a position to control the content of CE are listed in the agenda. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
