

Learner Notification

2023 Winter Conference on Brain Research
January 20, 2023 – January 25, 2023
Snowbird, UT

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Winter Conference on Brain Research. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designation

Amedco LLC designates this live activity for a maximum of **28.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Integrate into clinical practice knowledge that spans the full range of neuroscience sub disciplines, including developmental, molecular, cellular, systems, behavioral, cognitive, and computational neuroscience.
2. Discuss new treatment modalities used in the treatment of neurological, psychiatric and substance abuse disorders.
3. Engage in discussion with experts and colleagues about clinical challenges in practice and apply new insights and data to improve patient care.
