Psychologists

Amedco LLC designates this activity for a maximum of 14.50 live psychologist contact hours and 44.00 enduring psychologist contact hours. The 14.50 live hours cannot also be claimed as enduring hours.

Social Workers

As a Jointly Accredited Organization, Amedco is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be

accepted for continuing education credit. Amedco maintains responsibility for this course. Social workers completing this course receive up to 14.50 live GENERAL continuing education credits and 44.00 enduring GENERAL continuing education credits. The 14.50 live hours cannot also be claimed as enduring hours.

New York Board for Psychology (NY PSY)

Amedco is recognized by the New York State Education Department's State Board for Psychology as an approved provider of continuing education for licensed psychologists #PSY-0031. Maximum of 14.50 live hours and 44.00 enduring hours. The 14.50 live hours cannot also be claimed as enduring hours.

Objectives - After Attending This Program You Should Be Able To

1. Define research, practice, and training priorities for the field of psychosocial oncology that reflect advancement and innovation in cancer care, with a special interest in implementation science efforts to enhance reach and impact.
2. Demonstrate how psychosocial oncology researchers, practitioners, advocates and policy makers leverage principles of innovation and its associated tools to advance the field – including (but not limited to) technology, data-driven metrics, emerging care delivery models, multi-disciplinary training programs.
3. Present evidence of the impact of psychosocial oncology to overall cancer care using metrics that may include cost-effectiveness, medical outcomes, psychosocial outcomes, patient and community satisfaction, provider satisfaction, and training outcomes.

4. Describe innovative models of psychosocial oncology care delivery that promote integration and adoption of scientific, evidence-based findings into clinical practice, training programs, and policy.
