If you would like to save your application and continue at a later date, click the, “Save Submission” button.

The screenshot shows a dark navigation bar at the top with a home icon and the text "Return to Dashboard" on the left, and "Submit Travel Fellowship Awards" on the right. Below the navigation bar are two yellow buttons: "Save Submission" with a floppy disk icon and "Submit Early Career Investigator - Domestic" with a document icon. A large yellow arrow points down from the text above to the "Save Submission" button. A yellow arrow on the right side points from the "Submit Early Career Investigator - Domestic" button back towards the text above.

Travel Fellowship Awards

Early Career Investigator - Domestic

To receive the travel award, applicants are expected to attend the entire meeting (virtually if the in-person meeting does not take place), be present for the recognition events, submit an abstract for a poster or oral presentation, and participate in the mentor/mentee program for young investigators. These awards are supported by the Society of Biological Psychiatry and Elsevier, publisher of the Society's journal, *Biological Psychiatry*.

Travel Award Deferral Policy: A Travel Award may be deferred for one year in the following circumstances: birth of a child and to care for the newborn child; the placement of a child for adoption or foster care and to care for the newly placed child; to care for one's spouse, child, or parent who has a serious health condition; or when the awardee has a serious health condition.

1 Attestation *

Please read the [eligibility requirements](#) and attest you qualify for the Early Career Investigator Domestic award.

I attest that I have read the eligibility requirements and qualify to receive a fellowship.

If you would like to submit your application for review, click the, “Submit (Award Type)” button.
