

# THE NIGERIAN SOCIETY FOR CLINICAL PHARMACOLOGY AND THERAPEUTICS

Joins the rest of the world on 5<sup>th</sup> May, 2023 to mark  
**The World Smart Medication Day**

The NSCPT hereby invites  
all medical, pharmacy and pharmacology undergraduate and postgraduate students  
across Nigeria to participate in the

**2023 IUPHAR INTERNATIONAL STUDENTS' POSTER COMPETITION**

The theme of the poster competition is: **PRECISION MEDICINE**

#### General Posters Entry:

The competition is open to all medical, pharmacy or pharmacology undergraduate students. Posters can be created through any medium (digital, illustrated, hand drawn/painted) but must be submitted digitally. Some examples are key messages on drug individualization, sources of variability in drug responses, role of genes, environment and lifestyle, omics, biomarkers, vignettes (drawings and/or brief medical stories) with examples, or emblematic drawing. Be creative! General poster entries will be judged on the following criteria: relevance to the theme, strength of the message, innovation and creativity, and generalizability/universality of the message.

All entries must be submitted electronically to the NSCPT via e mail as stated below:

**[IUPHARpostercompetitionng@gmail.com](mailto:IUPHARpostercompetitionng@gmail.com)**

Deadline for submission: **3 April 2023.**

National winner's selection (2 best posters) by national societies: 14 April 2023.

Deadline for IUPHAR CD to select the winners and the 10 best posters for oral presentation at a global webinar is: **21 April 2023.**

4 prizes will be awarded by IUPHAR Clinical and Translational Section (2 best general posters and 2 best research posters).
