

Name: Marilyn Frenn, PhD, RN, CNE, ANEF, FTOS, FAAN

Current Title: Professor

Affiliation: Marquette University

Candidate for: MNRS Board Vice-President

Personal Statement:

I want to continue to help MNRS grow. It is a wonderful organization and I have been fortunate to serve as Vice President, Chair of the Program Planning Committee, and previously as chair of several RIIGs. The Future of Nursing report calls us to do even better as a profession. MNRS is well positioned to lead those endeavors. This work is well aligned with my research and commitment to the profession through many prior leadership roles. I am excited to continue to address this important challenge if I am re-elected!
