**Current Title:** Assistant Professor

**Affiliation:** University of Michigan

**Candidate for:** MNRS Board Director-At-Large

**Personal Statement:**

I have been absolutely delighted to serve on the Board of Directors for the past 2 years. I have particularly enjoyed working with the emerging scholars group, assisting with annual conference planning and helping to make sure that all of the voices of our members, whether you are a developing scientist, an industry expert, or a well settled professor, are heard and your that your needs are being met by MNRS. I would love to serve an additional term for you on the board. I am excited about the next two years and hoping to help implement your ideas about mentorship, grant writing and scholarship support. Looking forward to seeing you all in Schaumburg in March!
