

## **Research Publication Award**

**Purpose of the Award:** The purpose of this award is to recognize a member of the Health Systems, Policy, and Informatics RIIG with an outstanding research publication related to health systems, policy, and informatics.

### **Criteria for the Award:**

- The nominee must be the 'first author' of the publication.
- The manuscript must represent a significant contribution to the content areas of health systems, policy, or informatics.
- The manuscript must have been published in the last three years (2021-2024) or have been accepted for publication at the time of submission for the award.
- Authors are allowed to self-nominate by submitting their own published articles for this award.

### **Other Considerations:**

- Members may only apply or be nominated for one RIIG award regardless of the number of RIIG memberships.
- Student members are no longer subject to the 1-year RIIG membership requirement but must be a member of the RIIG at the time of nomination.
- Regular and Alumni members must be a part of the RIIG for at least one year.
- Nominees must be active and engaged members, as defined by the RIIG.

### **Submission Requirements:**

- Current curriculum vitae (CV).
- A PDF copy of the nominated manuscript.
- One paragraph statement from the nominee describing their contributions to the manuscript and how it advances health system, policy, and informatics.

### **Notification and Presentation:**

The RIIG Chair(s) will notify the award recipient via email. The awardee is strongly encouraged to be present at their RIIG's Annual Business Meeting to receive the award and will be invited to give a brief presentation of their research/scholarship.
