Please list the original purpose, aims, objectives, hypotheses or research questions stated in the proposal which received this award.

In no more than 300 words describe the findings of your study and how the original purpose aims objectives/hypotheses or research questions

Please send the final report to [info@mnrs.org](mailto:info@mnrs.org),  
Subject:2024 Grant Final Report

Please list the anticipated venues you will disseminate your results (e.g. presentations, publications, etc.)

*In the event that the sum of unused funds exceeds \$49.99, The University shall reimburse MNRS within 30 days after the submission of the grants final report. Remaining funds less than and including \$49.99 should be allocated to indirect costs of the research project. Payments of unused funds exceeding \$49.99 shall be by check payable to the Midwest Nursing Research Society Foundation.*

List how funds were expended in the following categories:

Budget Category	Amount provided by the MNRS Award	Amount expended
Personnel		
Consultants		
Equipment		
Supplies		
Travel		
Total		

Briefly describe any differences between the amount provided and the amount expended.

Please send the final report to [info@mnrs.org](mailto:info@mnrs.org),  
Subject:2024 Grant Final Report

**Additional Questions:**

How do you expect or anticipate this grant to impact your career?

How did this grant propel you to contribute to the future of nursing research?

What was the most significant experience with MNRS to date?

How can we inspire/mentor students to nursing research and MNRS?

How can you push the boundaries of research as we know it?

Did you present your findings at the MNRS Annual Research Conference, or do you plan to submit your finding at the upcoming MNRS Annual Research Conference? Please explain and include the year of presentation and reference of inclusion of MNRS Foundation grant in your presentation materials.

Please send the final report to [info@mnrs.org](mailto:info@mnrs.org),
