## COMPETITIVE ABSTRACT

Visit <https://mnrs.societyconference.com/v2/>

Click on the  
“Submissions” card.  
You will then be  
prompted to login.

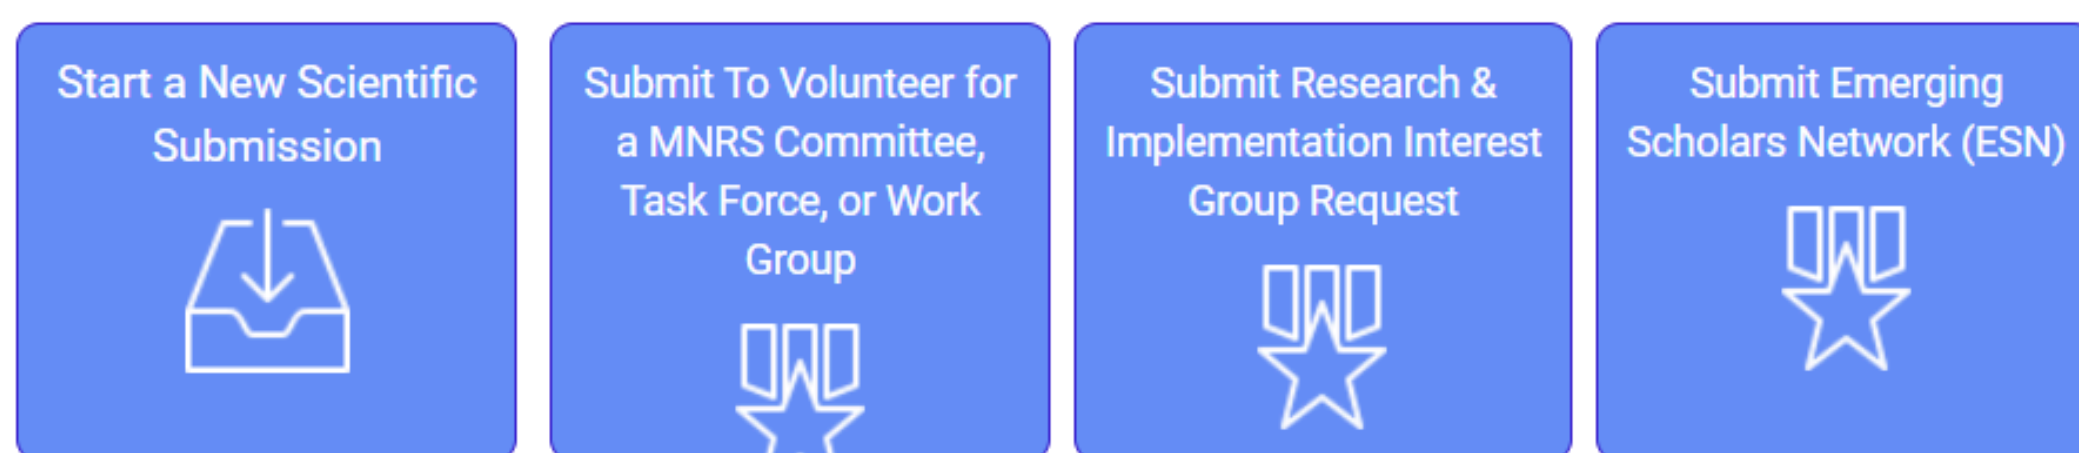

After logging in\*, click “Access My Dashboard” below to begin!

\*If you are already an MNRS Member, log in using the email associated with your membership.

If you do not know your password, please click “Forgot your Password? Reset Password” and a new password will be emailed.

\*All deadlines are 5:00 PM Eastern

Select “Start a New Scientific Submission”

# SUBMISSION SITE USER GUIDE

## COMPETITIVE ABSTRACT

Click on abstract title below to update and submit individual and supporting abstracts.

Status	My Submissions	Type	Role
 Not Started	Test	Competitive Symposium Session	Presenter
 Not Started	Test	Guaranteed Symposium Session	Presenter

These are your current submissions. You can access the submission by clicking the title. If you were added as a presenter by someone else, that submission would also appear here.

You will first select your submission type.

 Return to Dashboard

Submit Abstract

An individual can ONLY be listed as the first author for a maximum of one (1) abstract for the annual conference; however, an individual may be listed as co-author for an unlimited number of presentations. If you are primary author on an abstract accepted for presentation, you cannot submit another abstract.

Submission Type

After entering the title, the system will autocorrect to title case. This is for Abstract and Program Book purposes. Please review the title after correction.

Submission Type

Competitive Abstract

1

Enter Title \*

Abstract Submission: The title must be brief and clearly indicate the nature of the proposal.

2

Select Category \*

Select a category that is applicable to your abstract submission. If the appropriate category is not available, please enter category below.

Select the submission category that best describes your submission.

3

Presentation Preference \*

Select all that apply.

**Paper Session** - Paper Sessions are opportunities for the primary author to give an oral presentation of their completed research. A paper presentation is 12 minutes in length followed by 3 minutes Q&A.

**Poster Discussion** – Poster Discussions are opportunities for the primary author to give a brief 3-minute synopsis of 1-3 key findings from the study. This 90-minute session includes 30 minutes for general poster viewing and 60 minutes of moderated discussion.

**20 x 20 Presentation** - 20 x 20 Presentations are opportunities for the primary author to give an oral presentation using 20 slides that automatically advance every 20 seconds. The presentation is 6 minutes and 40 seconds. The session will conclude with up to 15 minutes of group discussion.

**Postcard Presentation** - Postcard Presentations are opportunities for the primary author to provide one electronic slide and a 5-minute brief summary highlighting the key points of the work.

**Poster Session** – Poster Sessions are opportunities for the primary author to present their completed or on-going science through a poster presentation. Poster Sessions are 90 minutes during the 90 minute poster viewing session. There is no formal presentation for poster sessions.

☐ Paper Session

☐ Poster Discussion

☐ 20 x 20 Presentation

☐ Postcard Presentation

☐ Poster Session

## COMPETITIVE ABSTRACT

Add Participants >

Once completed, you will move on to “Add Participants”

### Participants

Note: The name listed below must be the presenter of the poster. Co-authors will be added during the next section.

	Abstract Admin	Submission Status	Disclosure Status
Presenter*	<div>Rebecca Shannon rshannon@parthenonmgmt.com</div> <div>remove</div>	<input checked="" type="checkbox"/>	<div><div></div><div>Not Started</div></div> <div><div></div><div>Not Started</div></div>

1

### Submission Type \*

Please select your submission type.

- ☐ Evidence-Based/Quality Improvement Abstract
- ☐ Research Abstract
- ☐ Literature Review

2

### Learning Objective \*

Please enter at least (1) learning objective.

Please select your submission type.

You only need to fill out each section according to the submission type.

For example, if you are filling out the Background for a Literature Review, please write the problem and purpose. You do not need to fill out the information assigned to the Research Based or Evidence Based/Quality Improvement.

# SUBMISSION SITE USER GUIDE

## COMPETITIVE ABSTRACT

## EVIDENCE-BASED/QUALITY IMPROVEMENT ABSTRACT

This information should be provided only if submitting an evidence-based/quality improvement abstract.

3

**Background \***

Nature and scope of the project - Introduction, problem identification, significance, project objectives

4

**Methods \***

Synthesis and analysis of supporting literature - Describe the evidence-based solution. How was it developed? Include the theoretical framework if applicable. Project implementation - Describe the implementation process and significant challenges encountered. Include plans for implementation if the project is not complete. Evaluation Criteria - Provide details of your method for evaluating the success of the project. Include proposed evaluation criteria if the project is not complete.

5

**Results \***

Outcomes - What were the outcomes of the project and how were they measured?

6

**Conclusions \***

Recommendations - Describe your recommendations for clinical practice and policy based on the outcome of the evidence-based practice project

# SUBMISSION SITE USER GUIDE

## COMPETITIVE ABSTRACT RESEARCH ABSTRACT

This information should be provided only if submitting a research abstract.

3

Background \*

Purpose and Background/Significance - State the purpose of the study and why it is important to nursing science, practice and/or patient care. Theoretical/Conceptual Framework - Include conceptual and operational definitions.

4

Methods \*

Methods - Describe the study design, sample, instruments used, and data collection procedures (Include proposed data collection and analysis if project is not complete)

5

Results \*

Results - Discuss findings within the context of prior research, conceptual framework, and study limitations.

6

Conclusions \*

Conclusions - Explain the meaning of findings for the science of nursing.

# SUBMISSION SITE USER GUIDE

## COMPETITIVE ABSTRACT LITERATURE REVIEW

This information should be provided only if submitting a literature review.

3

### Background \*

Problem - Describe the health care issue the review addresses. Provide support for the significance of the problem. Purpose - State the objectives of this inquiry relative to the overall literature review on this topic.

4

### Methods \*

Search Strategy - Identify databases searched, inclusion/exclusion criteria.

5

### Results \*

Results of literature search - Describe the search, number of studies included and level of evidence & Synthesis of Evidence - Briefly describe the synthesis of the evidence that includes major trends and notable gaps.

6

### Conclusions \*

Implications for Practice - Include your recommendations for practice, education, or future research based on the review and synthesis of the literature.

# SUBMISSION SITE USER GUIDE

## COMPETITIVE ABSTRACT

7

### IRB Approval \*

- ☐ IRB approval through full/expedited/exempt review
- ☐ IRB letter received that project was Evidence-Based Practice
- ☐ IRB approval not obtained, if not please explain
- ☐ IRB not required for Literature Review.

**Complete your IRB approval information, unless completing a literature review where IRB approval is not required.**

8

### Co-Author

Please search for any co-authors by using the search box. If you cannot find a co-author in this database, you may type them into the grid below. Please use the arrows to move authorship into the correct order. This is the order that will be listed in appropriate program materials.

Order	Presenter	First Name *	Last Name *	Affiliation *
1	<input checked="" type="checkbox"/>	Rebecca	Shannon	Parthenon Management Group

\* You must populate all fields to complete the row.

**Enter any co-author information here.**

Rebecca Shannon<sup>1</sup>

<sup>1</sup>Parthenon Management Group

9

### Journal Publication \*

Please indicate if you wish to publish your individual abstract to the conference supplement of the Western Journal of Nursing Research (WJNR). There is a \$30 fee that you will be billed upon acceptance along with additional instructions.

- ☐ I would like my abstract to be published in the conference supplement and understand I will need to pay an additional fee (beyond the submission fee).
- ☐ I do not want my abstract to be published in the conference supplement.

**MNRS is giving presenters for the 2026 Annual Research Conference the opportunity to publish their abstracts as a supplement to the journal. Abstract publishing is optional for each author and will cost \$40 (in addition to the initial submission fee). Instructions on how to pay the fee will be provided with acceptance notification.**

10

### Audio/Visual Consent \*

*MNRS may record with your permission presentations for access by 2026 Annual Conference registrants post-conference.*

The Midwest Nursing Research Society ("MNRS") may make a recording of your presentation during the 2026 MNRS Annual Conference. In consideration of the decision by MNRS to include the recording of your presentation during the 2026 MNRS Annual Conference in its historical archives, and to make copies of that video recording available for educational purposes only (including posting on the MNRS website), the sufficiency and receipt of such consideration are hereby acknowledged, you agree as follows:

1. You grant MNRS the right to use and portray your name, likeness, voice, personality, personal identification, presentation and participation in the 2026 MNRS Annual Conference. (All rights are hereinafter referred to as the "Granted Rights"). You agree that the Granted Rights may be used for educational purposes in any manner and by any means, with modifications as MNRS, its successors and assigns, determine in its sole discretion. You acknowledge that you are to receive no payment with respect to any matter referred to herein. Any or all of the Granted Rights shall be freely assignable by MNRS.
2. You agree to release and discharge MNRS, its employees, agents, licensees, successors and assigns from any and all claims, demands or causes of action that you may now have or may hereafter have for libel, defamation, invasion of privacy or right of publicity, infringement of copyright or violation of any other right arising out of or relating to any utilization of the Granted Rights or based upon any failure or omission to make use thereof.

Nature of your participation in the 2026 MNRS Annual Conference (i.e., interviewer, interviewee, or presenter):  
PRESENTER

- ☐ I have read and agree to the above terms and conditions. My presentation can be recorded.

**All presenters are required to complete the audio/visual consent question.**

### Financial Relationships

#### Definition of Financial Relationship...

Financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria for promotional speakers' bureau, ownership interest (e.g. stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, owner, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected. Contracted research includes research funding where the institution gets the grant and manages the fund and the person is the principal or named investigator on the grant. There is no minimum dollar amount for relationships.

Contracted research includes research funding where the institution gets the grant and manages the fund and the person is the principal or named investigator on the grant.

There is no minimum dollar amount for relationships.

#### Definition of Ineligible Company...

An *ineligible company* is any entity producing, marketing, selling, re-selling, or distributing healthcare products or services consumed by, or used on, patients. Providers of clinical service directly to patients are not ineligible companies (unless the provider of clinical service is owned, or controlled, by an ineligible company).

The following are not ineligible company:

- 501-C Non-profit organizations that do not advocate for ineligible companies
- Government organizations
- Non-health care related companies
- Liability insurance providers
- Health insurance providers

**This process takes time to complete and you will be required to upload your CV– PLEASE allow yourself enough time.**
