

**Name:** Gregory Carter, PhD, MSN

**Current Title:** Associate Professor, Interim Associate Dean

**Affiliation:** Indiana University School of Nursing

**Candidate for:** MNRS Board of Directors, Member-at-Large:  
Large Institution

**Personal Statement:**

I am deeply committed to advancing the mission of the Midwest Nursing Research Society and fostering excellence in nursing science across our region. Through my career as an academic nurse researcher, I have focused on building rigorous, impactful programs of research in substance use, harm reduction, and public health.

In addition to my scholarship, I have experience in academic leadership, mentorship, and faculty development, including serving as Associate Professor, Assistant Dean of Research, and Interim Associate Dean. These roles have provided me with opportunities to strengthen research infrastructure, support early-stage investigators, and align nursing research with urgent health needs in our communities.

I am seeking an MNRS Board of Directors Member at Large because I believe in the Society's unique ability to cultivate collaboration, amplify the visibility of nursing science, and support nurse scholars at all career stages. My vision for leadership is grounded in service, inclusivity, and innovation, ensuring that MNRS remains a vital platform for advancing research, influencing policy, and improving patient and population health outcomes. I would be honored to contribute my experience, energy, and perspective to help MNRS achieve its goals and expand its impact in the Midwest and beyond.
