

Name: Erika Janssen, PhD, MSN, RN

Current Title: Assistant Professor, Assistant Director
Accelerated BSN

Affiliation: University of Wisconsin - Oshkosh

Candidate for: MNRS Board of Directors, Member-at-Large:
Small Institution

Personal Statement:

I have been an active MNRS member since 2018 and have presented findings within the MNRS community. I bring leadership experience from academic and community roles: Assistant Professor at the University of Wisconsin Oshkosh, former Assistant Director of the Accelerated BSN, and service on university and college governance bodies.

I also serve on the NorthEastern Wisconsin Area Health Education Center (NEWAHEC) and Oshkosh Area Community Pantry (OACP) Board of Directors and am engaged with the Wisconsin Association of Perinatal Care, relationships that help bridge research, education, and clinical practice.

In MNRS leadership, I will focus on building stronger practice–research partnerships, elevating perinatal health science with an equity lens, and supporting scholars through mentorship, dissemination opportunities, and collaborative, cross-institutional projects.

I would really appreciate the opportunity to serve on the board or any other capacity in the future.
