Paper Presentation Guidelines

- A paper presentation is an oral presentation reserved for completed project for which results are reported as part of the presentation.

- Only reports of completed projects that have not been published in a publicly available journal or have not been presented at a previous MNRS conference can be submitted.

- Each paper presentation will be a maximum of 12 minutes in length with a PowerPoint presentation and will be followed by a brief question and answer period of approximately 3 minutes. Session moderators will assist in the question and answer period if necessary.

- Presenters should arrive at least 15 minutes before their session start time to check-in with the moderators.

- Paper sessions will be moderated by a volunteer moderator who will introduce each speaker and help keep time.

- Each paper session consists of no more than 6 presentations.
