

MPA

Molecular Psychiatry Association

SPONSORSHIP PROSPECTUS

Annual Molecular Psychiatry Meeting

September 23—25, 2021

Hyatt Regency Maui Resort & Spa

www.molecularpsychiatry.net

About MPA

The Molecular Psychiatry Association was founded in 2013 to promote research and communication of research findings that may lead to a better understanding of the molecular basis of psychiatric disorders and the development of new treatments. Varying research approaches are being applied and include neurobiology, genetics, brain imaging, biomarkers, brain expression, neural stem cells, and animal models.

The primary mission of the association is to hold an annual meeting. The association – as well as its annual meeting – is open to all professionals who are interested in the molecular foundations of psychiatric disorders. By bringing together investigators with varied molecular approaches, it is hoped that cross-fertilization and collaborations will take place.

The society is affiliated with the journal, *Complex Psychiatry*.

2021 Agenda

Thursday, September 23, 2021	
6:30am – 7:00am	Breakfast
7:00am – 9:00am	Concurrent Symposia
9:00am – 9:15am	Break
9:15am – 11:15am	Concurrent Symposia
11:15am – 11:30am	Break
11:30am—1:30pm	Concurrent Symposia
1:30pm—7:00pm	Mid-day Break
7:00pm—8:00pm	Plenary Lecture
Friday, September 24, 2021	
6:30am – 7:00am	Breakfast
7:00am – 9:00am	Concurrent Symposia
9:00am – 9:15am	Break
9:15am – 11:15am	Concurrent Symposia
11:15am – 11:30am	Break
11:30am—1:00pm	Poster Talks
1:00pm—6:00pm	Mid-day Break
6:00pm—8:00pm	Poster Session and Reception
Saturday, September 25, 2021	
6:30am – 7:00am	Breakfast
7:00am – 9:00am	Concurrent Symposia
9:00am – 9:15am	Break
9:15am – 11:15am	Concurrent Symposia
11:15am—11:30am	Break
11:30am—1:30pm	Concurrent Symposia
1:30pm—7:00pm	Mid-day Break
7:00pm—8:00pm	Plenary Lecture

*The 2021 agenda topics will be available in Spring 2021.
Please see the 2019 symposia topics on the next page.

2019 Symposia Topics

- Beyond the Central Dogma: From Junk DNA to Brain Disorders
- The Role of Puberty in Brain Maturation: Relevance to Psychiatric Disease Risk
- Beyond GWAS – Finding Hidden Genetic Features of Schizophrenia
- Synaptic Pathologies in Neurodevelopmental Disorders
- Proteomic Technologies Applied to Psychiatric Disorders
- Neurotransmitter Transporters and Neuropsychiatric Illness
- Molecular Models for Autism Spectrum Disorders
- Excitatory-inhibitory Dynamics from Synapses to Systems: Bridging Rodents to Humans to Examine how the Brain Responds to Perturbation in Neurodevelopmental Conditions
- Circadian Rhythm Abnormalities in Bipolar Disorder: Genetic, Molecular and Behavioral Advances in Human Subjects
- Maternal Immune Challenge and Neuropsychiatric Disorders
- Sleep in Neuropsychiatric Disorders
- Neuronal Ectodomain Shedding and Ectodomain-mediated Signaling: Implications for Pathogenesis, Biomarkers, and Therapies
- Cellular and Molecular Mechanisms of Neurodevelopmental and Psychiatric Disorders
- Neural Circuit Basis of Adult Hippocampal Neurogenesis in Cognition and Emotion
- The Psychiatric Cell Map Initiative: Overview and Current Results
- Towards Precision Psychiatry Through Genomics and Pharmacology
- Pluripotent Stem Cell Models of Rare and Common Genetic Risk for Psychiatric Disorders
- Using Molecular and Neuroimaging Biomarkers to Dissect the Heterogeneity of Psychiatric Illness

How You Can Help

Young Investigator Travel Awards

Two types of travel awards are offered: (1) one for graduate or medical students who are currently enrolled in PhD, MD, or MD/PhD programs and (2) for postdoctoral fellows/medical residents/junior faculty. Awards for both types are for \$1,500. Approximately 15 awards will be made.

Funds received from generous donors help make it possible for young investigators to attend the meeting and enhance their molecular psychiatry research..

NEW OPTIONS FOR SPONSORS

BREAKFAST SPONSOR: (3 Opportunities) Your organization will be recognized as the sponsor on signage at one of the breakfasts.	\$10,000
POSTER RECEPTION SPONSOR: Your organization will be recognized as the sponsor on signage at the poster reception. Attendees will thank you for all of the fun!	\$8,000
BUSINESS MEETING LUNCHEON SPONSOR: Your organization will be recognized as the sponsor on signage at the lunch provided during the MPA business meeting.	\$7,000
YOUNG INVESTIGATOR TRAVEL AWARD SPONSOR: Provide the opportunity for young scientists to attend the conference and have the award named in your organization's honor.	\$5000
COFFEE BREAKS: (6 Opportunities) Your organization will be recognized as the sponsor on signage at one of the coffee breaks.	\$3,500

ALL SPONSORS WILL BE RECOGNIZED:

- Online program book
- On signs in the conference registration area
- On slide presentations between conference sessions
- On the conference website with link to your organization's webpage

Friday September 24, 2021 | Poster Presentations and Reception

Outstanding Young Investigators will be selected from poster abstract submissions to present brief talks during a Poster Talk session. Young Investigators include graduate and medical students, postdoctoral fellows, medical residents, and junior faculty.

All meeting attendees are eligible to submit poster abstracts for presentation during a Poster Session and Reception. This event will provide meeting attendees with the opportunity to view scientific posters and network amongst their peers over cocktails and hors d'oeuvres.

CONFERENCE QUICK FACTS

Conference Hotel

Hyatt Regency Maui Resort & Spa
200 Nohea Kai Drive
Lahaina, Hawaii 96761
(808) 661-1234

2019—2021 Organizing Board

- Carrie Bearden
- William Byerley
- Stephanie Dulawa
- Zach Freyberg
- Rob Malenka
- Tracey Petryshen
- Stephan Sanders
- Akira Sawa
- Martin Schalling

Functions Included with Registration

- Breakfast each morning from 6:30am—7:00am
- Two daily coffee breaks
- Poster Reception on Friday, September 24th from 6:00pm—8:00pm
