# Poster Guidelines:

Deadline EXTENDED TO October 20, 2023

- Poster Abstracts should be structured as: Background, Methods, Results, and Conclusion, and have a maximum of **250 words**. Abstracts should include data.
- Posters should not be of a commercial or promotional nature.
- Abstract submitters in the following categories are eligible to also give a brief presentation during the poster talk session (please indicate if you wish to be considered). Abstracts selected for poster talks must also be presented as posters in the poster session.

  o Students currently enrolled in PhD, MD, or MD/PhD programs.
  o Postdoctoral fellows, medical residents, or junior faculty within 5 years of completing postdoctoral or residency training. Applicants may have a career development award (K-type) but may not be PI on a current or previous R-level grant (R03 and R36 grants permitted).

- All posters will be accepted unless otherwise notified.
- Eligible individuals who are selected for poster talks will be notified in late fall 2023.
- Poster dimensions will be available in late fall 2023.

Steps for Submission:

1. Visit the 2024 Abstract Submission Portal: https://mpa.societyconference.com/?conf_id=10004&m=user&h=home
   Please note that if you have previously attended the Molecular Psychiatry meeting, you already have an account in the system. Please login using the email address you had at the time of the previous meeting. If you are unable to login, please contact info@molecularpsychiatry.org.

2. Click "Access My Dashboard"

3. Once logged into the portal, select the large blue square "Start a New Scientific Submission"

4. Select the submission type and fill out the required submission information.

Final Step: Select the yellow "Submit Abstract" button at the top.

1. You will receive a notification that the submission was submitted successfully.
2. You will receive an email confirmation of the submission.
3. You will be able to edit the submission until the submission period closes.
4. After the deadline has passed, all abstract submissions will be reviewed. Notifications will only be sent for abstracts not selected for presentation.
5. Eligible individuals who are selected to also present poster talks will be notified in late fall 2023.
