Utilize the filters on the left side of the screen to narrow down your view to specific topics or poster sessions. You can post comments/questions on any poster by clicking into the poster and then selecting the word bubble icon on the right menu.

The screenshot displays the Poster Gallery interface. On the left, there is a 'Filters' sidebar with a 'Date' section containing three sessions: 'Poster Session' (Mon, 4:00 PM - 5:30), 'Poster Session II' (Tue, 3:30 PM - 5:00 PM), and 'Poster Session III' (Wed, 2:00 PM - 3:30 PM). Below this is a 'My Favorites' section with 'Yes' and 'No' checkboxes. At the top center is a search bar with the placeholder text 'Search by presenter, submission title, co-author, or key word'. On the top right, there is a pagination control showing '30 posters' and '1 - 20 showing' with left and right arrows. The main area shows a grid of poster thumbnails. The first thumbnail is titled 'SAMPLE POSTER' and is expanded to show its content, which includes sections for 'Introduction', 'Methods', 'Results', 'Conclusions', and 'Bibliography'. It also features two circular diagrams labeled 'Figure #1' and 'Figure #2'.
