Acknowledgement of Financial Commercial Support

Supported by unrestricted educational grants from Alkermes, Inc.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. You must participate in your chosen sessions in their entirety as partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Bipolar Disorders (ISBD). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians (ACCME) Credit Designations

Live Content - Amedco LLC designates this live activity for a maximum of 17.50 *AMA PRA Category 1 Credits™* for physicians, Recorded/Enduring Content - Amedco LLC designates this enduring activity for a maximum of 25.50 *AMA PRA Category 1 Credits™* for physicians. Learners should claim only the credit commensurate with the extent of their participation in the activity. The 17.50 live hours cannot also be claimed as enduring hours.

Objectives - After Attending This Program You Should Be Able To

1. Discuss the latest pharmacology and non-pharmacological treatment approaches to Bipolar Disorder and other mood disorders.
2. Discuss the latest research into biomarkers and biological origins of disease in mood disorders.
3. Discuss treatment of bipolar disorders from those with lived the experience.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1---6.2, 6.5)

All individuals in a position to control the content of CE are listed on the website. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.
