

Learner Notification

International Society for Bipolar Disorder
2024 Annual International Society for Bipolar Disorder Conference
September 29, 2024 – October 1, 2024
Reykjavik, Iceland

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Society for Bipolar Disorder (ISBD). Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation #4008163.

Professions in scope for this activity are listed below.

Physicians

Amedco LLC designates this live activity for a maximum of 18.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives - After Attending This Program You Should Be Able To

1. Identify the latest evidence-based pharmacological and psychological therapeutic interventions utilized in the management of mood disorders, with particular emphasis on treatments for bipolar disorders.
2. Explain the latest research on biomarkers, treatment mediators, and biological origins of disease in mood disorders.
3. Incorporate new approaches to complex diagnostic and treatment situations in everyday clinical practice.
4. Incorporate consideration for the values and experiences of those living with bipolar disorders into the daily processes of research, clinical care, and health services.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1---6.2, 6.5)

All individuals in a position to control the content of CE are listed below.

ISBD 2024 Program Committee
