

Welcome to the CME & Evaluation Center

Thank you for attending the APPA Virtual Annual Meeting!

Here you will find information on completing the conference evaluation as well as obtaining CME credits or a certificate of attendance. You can also find the information regarding the number of credit hours available for each session.

Evaluation

We encourage every attendee to complete the Annual Meeting Evaluation. Your feedback not only helps us understand if the recent program met your needs and expectations, but also helps with planning for future meetings.

Attendees wishing to request CME credits or a Certificate of Attendance (which can be used to secure CE credits from your accrediting body), must first complete the meeting evaluation.

Accessing the Evaluation:

The evaluation is anonymous and therefore cannot be accessed when the attendee is logged into their account. If you can see the conference hall, you are logged in and will need to click on your profile button in the bottom left corner and select **logout before clicking the evaluation link.**

Logout, and then click here.
