

2024 CMSA Annual Conference - CE Overview

All CE's are pending final approval from each of the certifying bodies. These CE's are subject to change.

Notification of final approval may not be received but a few days from the start of the conference program.

Full Conference In-Person Attendees will also have access to the Digital Content for an opportunity to attend all Main Conference sessions.

IN-PERSON ATTENDEES MAY ALSO VIEW THE DIGITAL CONTENT.

When calculating CE earning potential, please take note what is in-person ONLY and what is In-Person AND Digital Content.

Main conference programming will be recorded and placed in the Digital library within 5-10 business days of live event.

These are available to BOTH full conference in-person registrants and digital only registrants.

A Tracking Sheet will be made available to help you with tracking the sessions you complete, and whether they are in-person or digital.

This will help with the evaluation process.
