

GOVERNOR JOSH SHAPIRO

October 12-18, 2025

Greetings:

It is my pleasure to recognize October 12-18, 2025, as Case Management Week.

Case managers serve an integral part in ensuring the health and safety of Pennsylvanians. These professionals demonstrate a steadfast commitment to patients and provide individualized quality care through collaborative measures. Case managers work diligently to accommodate the growing needs of their patients, and their expertise has become increasingly important to help clients and patients achieve the best outcomes. I commend case managers for their continued efforts to serve Pennsylvanians, and I applaud them for helping to ensure quality care throughout the Commonwealth. I am certain that case managers will continue to be of significant importance to the healthcare system for years to come.

As Governor, and on behalf of all Pennsylvanians, I am happy to recognize October 12-18, 2025 as Case Management Week. Please accept my best wishes for continued success.

GIVEN under my hand and the Seal of the Governor, at the City of Harrisburg, this twelfth day of October two thousand twenty-five, the year of the Commonwealth the two hundred fiftieth.
