

State of New York

Executive Chamber

Proclamation

Whereas, case management is a collaborative system of assessment, planning, and access of services to meet an individual's health needs through communication and advocacy measures that promote cost-effective outcomes; and

Whereas, case managers play a critical role in securing medical care and social supports while navigating complex health systems to acquire the resources needed to help individuals thrive; their work strengthens communities, improve health outcomes, and encourages individuals' physical and emotional wellness; and

Whereas, community-based care managers, including service coordinators, health workers, and patient navigators, support New Yorkers of all ages; resources such as reproductive planning, home visiting during pregnancy and postpartum, early intervention for young children with disabilities, and coordinated care for people with disabilities and chronic conditions are located and utilized by care managers when appropriate for individuals' benefit; and

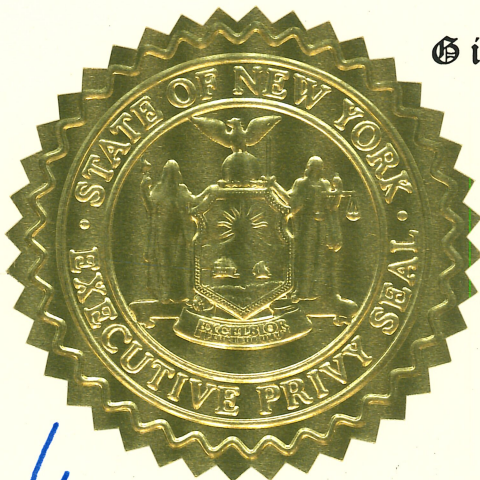

Whereas, this profession is a vital link in our health and human services system and thousands of people have had their lives positively changed by the committed and compassionate care they have received from case managers; and

Whereas, Case Management Awareness Week acknowledges case managers, raises public awareness of their duties, and increases recognition of their selfless efforts to secure quality services and interventions for the individuals they assist;

Now, Therefore, I, Kathy Hochul, Governor of the State of New York, do hereby proclaim October 12 - 18, 2025 as

CASE MANAGEMENT WEEK

in the Empire State.

Given under my hand and the Privy Seal of the State
at the Capitol in the City of Albany this eighth day
of October in the year two thousand twenty-five.
