

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented to
all observing*

Case Managers Week

October 11–17, 2026

Texas is proud of its world-renowned medical facilities that are setting the standard for research and care. As our healthcare professionals work to improve our knowledge of evolving practices and treatments, case managers play a vital role as they build a bridge between patients and facilities to achieve optimal outcomes.

Case managers rely upon critical thinking and evidenced-based knowledge to facilitate patient safety, quality care, and cost effectiveness within healthcare. Utilizing superb communication, available resources, and a deep understanding of current best practices, case managers engage in a collaborative process of assessment, planning facilitation, care coordination, evaluation, and advocacy. They provide options and services to meet the comprehensive health needs of individuals and families while executing the individualized process based on their scope of practice.

Each year, a week is set aside to recognize case managers and the role they play in our healthcare system. Their work enables patients and their loved ones to have peace of mind during illness, injury, or emergency.

First Lady Cecilia Abbott joins me in encouraging all Texans to observe Case Managers Week with appropriate ceremonies and activities.

*In testimony whereof, I have hereunto
signed my name and caused the Seal of the
State of Texas to be affixed at the City of
Austin this the 24th day of August, 2026.*

Greg Abbott
Governor of Texas
