

Mike DeWine & Jim Tressel
Governor and Lieutenant Governor of Ohio
do hereby officially recognize

CASE MANAGEMENT WEEK

OCTOBER 11-17, 2026

Case management is a collaborative process of assessment, planning, facilitation, and advocacy for options and services to meet an individual's health needs through communication and available resources to promote quality cost-effective outcomes. Therefore, it is fitting that the people of Ohio should join case managers and others across the state by joining us to raise awareness for and advance the profession. We proudly recognize Case Management Week throughout Ohio and hope to educate the public and increase recognition of the significant contribution of case managers.

On this 11th day of October 2026;

Mike DeWine
Governor

Jim Tressel
Lieutenant Governor
