MIKIE SHERRILL
GOVERNOR

October 11-17, 2026

Dear Friends,

On behalf of the State of New Jersey, it is my pleasure to acknowledge the Central Jersey Chapter of the Case Management Society of America (CMSA) in honor of Case Management Week.

Since its inception, CMSA has educated the public on the vital role that case management plays within the healthcare system. This year is significant because chapter members will represent case managers at every level of healthcare including clinicians, such as nurses, social workers, and therapists, as well as non-clinicians in healthcare supporting roles. In addition, this year, CNJ CMSA have a focus on the 4 R's to: Reconnect, Recognize, Reignite & Rise for continued growth and development, and I could be more proud. This week celebrates and recognizes the contributions these case managers have made to ensure everyone is given quality, cost-effective healthcare across the nation.

As Governor, I commend the CMSA and its regional chapters for their enduring efforts to make a difference in the lives of countless individuals and communities. I would like to extend my gratitude for your outstanding contribution in protecting our residents.

Best wishes to all for a successful and memorable celebration.

Sincerely,

A handwritten signature in blue ink, reading "Mikie Sherrill".

Mikie Sherrill
Governor
