On-Demand Content Guide
Welcome to the AAAP Addictions and Their Treatment On-Demand Content Guide. As a registrant of the Addictions and Their Treatment course, you have access to our comprehensive series of 25 high quality lectures given by expert presenters. Lectures range from 30 to 60 minutes and each contains a pre-test and post-test. These lectures are available for viewing at your leisure.

On Friday, October 1st, 2021 12:30pm – 5:30pm ET and Saturday, October 2nd, 2021, 11:00am – 3:40pm ET, we will be holding a 2-day series of live Webinar discussions and Q&A sessions. During the live component, participants will have the opportunity to interact with our expert presenters, who will respond to your questions and comments about topics relevant to the on-demand lectures.

All course registrants are strongly encouraged to view all on-demand lectures prior to the live Webinar Q&A sessions on October 1st and 2nd.

Read on for instructions and visual guides to access the on-demand content. When you are ready to view the lectures, click the button below to get started.

PLEASE NOTE: This activity is available for the designated credit for 30 days after the second live session date. Once the activity expires, the content will be available for learners to view for 6 additional months. Access to the content will then be removed to ensure content validity in all AAAP educational activities.

- Expiration Date: November 2, 2021 - This is the date that credit will expire and the evaluation closes. Access to the course will not be lost.
- Content Available Until: April 2, 2022
