2025 Technology in Psychiatry Summit

Call for Poster Proposals

DEADLINE: October 9, 2025

***All deadlines 5:00pm ET**

The Institute for Technology in Psychiatry (ITP) at McLean Hospital is pleased to launch the call for poster submissions for the 9th Annual 2025 Technology in Psychiatry Summit taking place as a 2-day virtual meeting from 11am to 5pm on December 11th and 12th.

We will be using a virtual poster gallery platform. This will allow you to:

- Upload a PDF poster for attendees to view.
- Upload a 3-5 minute audio clip for attendees to listen to anytime during the summit.
- Upload a link that can connect to Zoom, Webex, Teams, or an email address during the scheduled poster session timeslot.
- See how many poster views your poster received.

Poster Submissions should include the following:

- Abstract Title
- Abstract
- Authors/Co-Authors

Reminders:

- All work should be that of your own/your co-authors.
- Accepted poster presenters must pay to register to attend the summit virtually.

- Authors must upload their poster PDF to the gallery along with the 3-5 minute audio clip prior to the start of the summit (more information will be sent to accepted poster presenters in the weeks leading up to the event).
- Multiple submissions are allowed, however it is recommended to consolidate where possible.

Areas of Particular Interest to the Program Committee:

- AI and Society
- Digital Health Applications
- Human-Computer Interface
- Pervasive Sensing
- Phenotyping at Scale

Again in 2025: All submissions must be submitted through the online submission system, [click here](#) to log into the submission site and select 'Start a New Scientific Submission' to begin. **Poster session submissions will open September 2nd and close October 9, 2025.**
