Financial Relationships

Definition of Financial Relationship—

Financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria for promotional speakers' bureau, ownership interest (e.g. stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, owner, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected.

Contracted research includes research funding where the institution gets the grant and manages the fund and the person is the principal or named investigator on the grant.

There is no minimum dollar amount for relationships.

Definition of Ineligible Company—

An ineligible company is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. Providers of clinical service directly to patients are not ineligible companies— unless the provider of clinical service is owned, or controlled, by an ineligible company.

Examples of such organizations include:

- Advertising, marketing, or communication firms whose clients are ineligible companies
- Bio-medical startups that have begun a governmental regulatory approval process
- Compounding pharmacies that manufacture proprietary compounds
- Device manufacturers or distributors
- Diagnostic labs that sell proprietary products
- Growers, distributors, manufacturers or sellers of medical foods and dietary supplements
- Manufacturers of health-related wearable products
- Pharmaceutical companies or distributors
- Pharmacy benefit managers
- Reagent manufacturers or sellers

The following are not ineligible companies:

- 501-C Non-profit organizations that do not advocate for ineligible companies
- Government organizations
- Non-health care related companies
- Liability insurance providers
- Health insurance providers
- Group medical practices
- For-profit hospitals
- For-profit rehabilitation centers
- For-profit nursing homes
- Blood banks
- Diagnostic laboratories

- #### Disclosure -

"In relation to the content of this activity
After having read the above definitions, in the past 24 months, have you, had a financial relationship with any ineligible company?

Yes – I do have a financial relationship to disclose.
 No, I have nothing to disclose.
- #### Financial Relationships Details -

Please enter the name of the ineligible company (entity) and the nature of the relationship(s).
Please list the name of the entity in the 'Ineligible Company' column. Examples of relationships include: Advisory Board Member, Board Member, Consultant, Contracted Research, Employee, Founder Grant, Honoraria, Owner, Patent, Royalties, Speakers Bureau, Stock/Equity (Publicly Traded or Privately Held Company), Other Financial or Material Support.

* You must populate all fields to complete the row.
- #### Statement 1 -

I will not accept payments or reimbursements from an ineligible company (any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients) for my role in the planning and delivery of this CME activity. If I am approached by an ineligible company in this regard, I will immediately notify WFSBP.

I Agree.
- #### Statement 2 -

Continuing medical education consists of educational activities which serve to maintain, develop, or increase the knowledge, skills, and professional performance and relationships that a physician uses to provide services for patients, the public, or the profession. The content of CME is that body of knowledge and skills generally recognized and accepted by the profession as within the basic medical sciences, the discipline of clinical medicine, and the provision of health care to the public. If I am a presenter, my presentation will meet these standards, and if I'm a planner, I will not approve any content that does not meet these standards. If I am a session chair and/or an abstract discussant, any contribution I make to the discussion, will meet these standards.

I Agree.
- #### Statement 3 -

Presentations that promote recommendations, treatment, or manners of practicing medicine that are not within the definition of CME or known to have risks or dangers that outweigh the benefits or known to be ineffective in the treatment of patients, are prohibited. Presentations devoted to advocacy of unscientific modalities of diagnosis or therapy are prohibited. If I am a presenter, my presentation will meet these

All presenters and chairs MUST complete the following fields to submit their disclosure. Please note that each presenter will need to login and complete this step.

After all steps are complete click "Submit Abstract".
